IT'S TIME TO LEVEL UP VBS!

Spin the spinner, beat the clock, skip ahead, level up, and play to win! You'll need to bring your A-game for this VBS. Twists & Turns is a fantastical celebration of games of all kinds. From classic tabletop games to video games and more, kids will play their way through VBS while learning that Jesus guides them through all the twists and turns of their lives. They'll find that even when they mess up it's never "game over."

VBS Scripture

Make your ways know to me, Lord; teach me your paths.

Psalm 25:4 (CSB)

VBS Motto

FOLLOWING JESUS CHANGES THE GAME

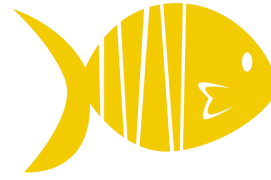

(taken directly from Lifeway's VBS 2023 Twists & Turns literature)

Day 1

Jesus Is Holy

Matthew 4:18-20; Luke 5:1-11

Today's Point: Jesus is God's Son and that changes everything

Bible Story Summary: Peter Followed Jesus

Jesus Sat in the boat of fisherman named Peter to teach people about God. Then, Jesus told Peter to take the boat into the deep water to catch fish. Peter said they had tried all night to catch fish and caught nothing, but he and the other fisherman obeyed Jesus. They caught so many fish their nets began to sink. When Peter saw all the fish, he knew that Jesus has power that comes from God.

Day 2

Jesus is trustworthy

Matthew 14:22-33

Today's Point: Jesus cares about me even when I am scared

Bible Story Summary: Peter walked to Jesus on the water.

Jesus told His disciples (Helpers) to go ahead of Him in a boat. The helpers' boat was in deep water. The wind blew hard, and the waves crashed against their boat. The helpers saw someone walking on top of the water. It was Jesus! Peter asked to walk to Jesus on the water, and Jesus said, "Come". Peter stepped out of the boat. He noticed how strong the wind was. Peter was scared and started to sink in the water. Peter cried out, "Jesus, save me!" Jesus saved him. Jesus asked Peter, "Why were you afraid? Didn't you know I would help you?" As soon as Jesus and Peter got back into the boat, the wind stopped! The helpers worshiped Jesus and said, "you really are the Son of God!"

Day 3

Jesus is loving

Luke 22:31-34, 54-62; John 18:15-18, 21:1-1

Today's Point: Jesus loves me

Bible Story Summary: Jesus fed the disciples

After Jesus died on the cross and was buried in a tomb. He rose from the dead! Sometime later Peter and a few disciples (helpers) decided to go fishing. They caught nothing. A man on the shore said they should put the net on the right side of the boat. They did and caught 153 fish! They realized the man was Jesus! Jesus shared bread and fish with them on the shore. Jesus asked Peter, "Do you love Me?" three different times. Peter told Jesus he loved Him. Peter knew Jesus loved him, too.

Day 4

Jesus is worth following

Acts 3:1-4; 24

Today's Point: Jesus wants me to tell others about Him

Bible Story Summary: Peter Spoke boldly about Jesus.

As Peter and John were going to the temple, they saw a man who couldn't walk. Peter healed the man through Jesus' power. People who know the man were amazed, and Peter taught them the good news about Jesus. The church leaders were angry that Peter and John were preaching about Jesus. They arrested Peter and John. The leaders told Peter and John not to teach about Jesus anymore. Peter and John knew they had to tell people about Jesus no matter what happened.

Daily Leader Devotions

Leader Devotion – Day 1

Today's Point – Jesus is holy and that changes everything!

Bible Story – Peter followed Jesus (Matthew 4:18-20; Luke 5: 1-11)

Have you ever followed a map or road sign, confident of the directions, only to be turned onto a road where you never intended to go? If so, you likely felt frustrated. There are times in all our lives that we can look back and remember with certainty a path or direction in life that we were following with confidence, only to be derailed by an unexpected encounter.

In today's Bible story we meet Peter, a fisherman by trade who probably had very clear expectations of his path and direction in life. One day, Peter had been fishing all night and was washing his nets near the shore where Jesus was teaching crowds of people. Perhaps Peter was listening to Jesus with curiosity at a distance as he cleaned his nets, unaware of the twist he was about to encounter.

After teaching the crowds from a boat that belonged to Peter, Jesus turned to Peter and asked him to go out to catch fish. Peter responded that they had fished all night and caught nothing. Yet, at Jesus' request, Peter obeyed, and he caught more fish than he could have ever imagined.

"When Simon Peter saw this, he fell at Jesus' knees and said, 'Go away from me, because I am a sinful man, Lord!'" (Luke 5:8)

Peter sank to his knees in repentance and worship, recognizing that this miracle of fish was something only someone with God's power could do. Encountering Jesus changes everything.

(taken directly from Lifeway's VBS 2023 Twists & Turns Literature)

This week, you will introduce children to Jesus, perhaps for the very first time. Some of the children you encounter will be new and curious about who this Jesus is, like the crowds on the shoreline. Some may be listening more intently, questioning if this Jesus is worth following. You will meet children who are beginning to understand foundational truths about Jesus. Others will have already believed and trusted in Jesus and are taking their first steps toward growing in their faith. No matter where the children you teach are in their spiritual journeys, Jesus has something to teach them this week about who He is – and He is going to use you to help children encounter Him.

As you prepare to lead, ask God to speak His truth through you, so children may encounter Jesus as Peter did, recognizing that He is truly the Son of God. As we will learn this week, Peter's life did not come without twists and turns along the way. Nevertheless, Peter followed because he met Jesus, and that changed everything

Reflect

- What twists and turns in your life have brought you to where you are today?
- Think about circumstances that have helped you know who Jesus truly is. What have you learned?
- How can you help the children you teach know that Jesus is real and that He loves them.

Leader Devotion – Day 2

Today's Point -Jesus cares about me even when I am scared.

Bible Story —Peter walked to Jesus on the water (Matthew 14:22-33)

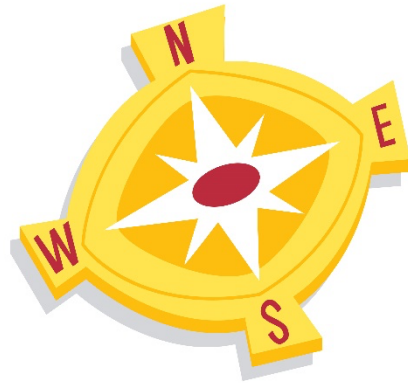

Immediately. A word I've passed over time and time again in this passage, yet one that stuck out to me as I read it this time. And then, I couldn't stop seeing it!

In fact, the Day 2 passage begins with it. "Immediately he made the disciples get into the boat and go ahead of him to the other side, while he dismissed the crowds." Intrigued, I decided to find out what Jesus had been doing prior to this. It seems like this was a busy day for Jesus and the disciples. They had just fed five thousand men plus their families with only five loaves and two fish! So, when Jesus told them to get into the boat while He dismissed the crowds, I'm thinking they were exhausted and happy to oblige.

What I'm pondering, though, is why immediately? I know God's timing is perfect – but why in such a hurry? Was it because Jesus wanted to be alone to talk with the Father? Maybe. Or could it be that He knew just when that storm was going to hit and exactly when the disciples needed to leave so they could see and experience this miracle? Maybe both!

The next time we see our word for the day it is more dramatic. The wind was blowing furiously, and the waves were crashing against the boat. A boat – not a ship! The disciples were terrified because in addition to the wind and the waves, they thought they saw a ghost! But here it is again: "Immediately Jesus spoke to them. "Have courage! It is I. Don't be afraid.'" (Matthew 14:27) Jesus was quick to comfort. I love that. He knew exactly what they needed to hear to alleviate at least part of their fear. I picture a child crying out in fear of a monster under her bed. Dad hears her cry, steps into the darkened room, and the fear subsides. Sometimes just knowing someone bigger and stronger is with you makes you feel better – even though the "supposed danger" is still there.

(taken directly from Lifeway's VBS 2023 Twists & Turns Literature)

Peter, being “blown away” by what he was seeing, asked to join in! Jesus said, “Come,” so Peter climbed out of the boat. (By the way, it looks as if this happened immediately as well. We don’t read that Peter asked again. I think we need to credit Peter, who didn’t hesitate when he was called.) Peter began walking toward Jesus. Unfortunately, that’s when Peter took his focus off Jesus and focused on the storm surrounding him instead. Just as we often do, Peter began to sink, but Jesus immediately reached out His hand and rescued Peter.

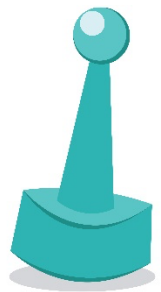

Jesus could have calmed the storm while He was walking on the sea or when Peter got out of the boat. He could have calmed the storm as His hand caught Peter’s. But He didn’t. Instead, He walked through the storm with Peter. You might think that was enough. But still, there was more the disciples had to learn.

When Jesus and Peter got into the boat, the wind ceased. This is when the disciples finally said, “Truly you are the Son of God.” It was neither when He walked on the water nor when He rescued Peter, but it was when He quieted the storm they were going through. The disciples seemed to miss everything else that had just happened right in front of their eyes before they declared it!

I don’t know about you, but when I’m waiting for the miracle I want to see, I often fail to notice all the miracles in the background. My prayer for you and for me is that we’ll take notice of all that God is doing around us and know that truly, Jesus is the Son of God and that He changes everything!

Reflect

- Peter did not wait for the storm to stop before getting out of the boat. What are you hesitant about doing that God has called you to do?
- When Peter focused on the storm instead of Jesus, he was scared. Who or what are you focusing on?
- Jesus didn’t stop the storm immediately. He walked through it with Peter. What are storms you see children facing now? How can you help them know that they are not alone, that Jesus is walking with them?

Leader Devotion – Day 3

Today's Point - Jesus is loving

Bible Story – Peter Fed the disciples (Luke 22:31-34; 54-62; John 18:15-18; 21:1-19)

God knows everything that is happening all the time. We know that. However, during the excruciating hours between Jesus' arrest and final breath on the cross, my mind wants to think everything else stopped. However, even as Jesus was stepping in to be our Redeemer, He was fully aware of the falling away of Peter. Even then, Jesus had plans to redeem and restore this soon-to-be church leader.

Jesus prayed for Peter and told Peter so. Peter declared that he would follow Jesus to prison or even to death. Jesus said Peter would deny he knew Jesus that very night before the rooster crowed.

As Jesus stood before the high priest, Peter tentatively followed and stood near a fire in the high priest's courtyard. Three times Peter was asked if he was one of the men who traveled with Jesus. Each time Peter's "no" was issued with increasing vehemence. The rooster crowed. Peter looked up and met Jesus' eyes. Peter left, weeping bitterly.

Based on Scripture, it appears Peter was not around as Jesus was led away to be crucified or when Jesus breathed His last breath. He didn't follow to see where Joseph and Nicodemus placed Jesus' body, though he raced to the tomb when Mary told the disciples that Jesus' body was missing.

Peter was one of the people to whom Jesus appeared the day of His resurrection. Twice more, Peter was in a locked room with the disciples when Jesus appeared. Still the memory of his emphatic, "No, I don't know Him!" must have rung in his ears.

Sometime later, Peter and six of the other disciples decided to go fishing. They fished all night but caught nothing. Early the next morning, a man on the shore called out the question most fishermen who have caught nothing hate to hear, "Got any fish?" Then the man said, "Toss your net on the right side of the boat." Suddenly the net was so full that seven grown men, many of whom had experience with this type of fishing, could not pull the net in. That's when John recognized the man. It was Jesus!

(taken directly from Lifeway's VBS 2023 Twists & Turns Literature)

All the disciples in the boat shared this experience, but let's focus on things that may have been impactful for Peter. First, the miraculous catch of fish had to create immediate flashbacks to the first catch when Jesus called Peter to be His disciple. Peter may have remembered his overwhelming sense of unworthiness and Jesus' promise that Peter would become a fisher of men.

Reflect

- Even when you're failing, Jesus has already written the story of your restoration. What things hover in your thoughts that make you feel unworthy of Jesus?
- What moments cause you to rush to Jesus?
- If Jesus looked in the eye and said, "Do you love Me?" what would be your honest answer?

Leader Devotion – Day 4

Today's Point – Jesus wants me to tell others about Him.

Bible Story – Peter spoke boldly about Jesus
(Acts 3:1 – 4:24)

What's your usual response when God doesn't seem to make sense? Maybe, like the man in today's story, your child was born with a disability you know will affect her for life. Maybe you are living with a health concern that has altered your life. Maybe your family has fallen on tough financial times. Maybe you're dealing with depression or anxiety or a broken relationship. Maybe, like Peter and John, you're facing persecution for our faith.

In this broken world, there's something you've asked God to change, and He hasn't seemed to act.

My theory is everyone has a go-to reaction in these situations. Some people jump straight to anger. Some resort to a curled-in-a-ball-can't-get-up-in-the-morning grief and sadness. Some people topple in anxiety: "Is God still in control?" Some people try to take over. "God won't do this for me? OK, I'll jump in and do it myself." Some people (ask me how I know) do all four and more.

(taken directly from Lifeway's VBS 2023 Twists & Turns Literature)

We don't always leave room for this kind of talk. We're afraid we'll sound like "bad Christians," like we don't have enough faith. We hear that the early church members in Acts prayed for boldness and rejoiced to be persecuted. We think that means they didn't feel afraid or sad or angry. I think the fact that they had to pray for boldness means they didn't have anything close to boldness going into these situations. Just look at all the twists and turns Peter's faith journey has taken already this week in VBS. I think these early Christians were probably more like David.

"How long, Lord? Will you forget me forever? How long will you hide your face from me? How long will I store up anxious concerns within me, agony in my mind every day? How long will my enemy dominate me?" Psalm 13:1-2

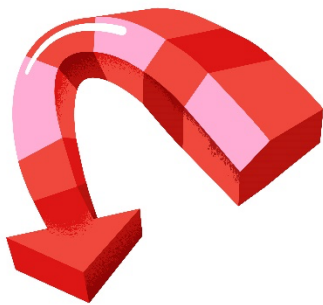

God can handle these kinds of questions. The Bible shows us that. He doesn't turn away from hard moments. And, He proves again and again that He's worth following, even when it gets tough. That's why the man in our Acts 3 passage could immediately praise God when he was healed instead of crediting Peter and John with the miracle. That's why Peter and John could stand boldly before the Jewish leaders and speak the words God gave them.

Jesus is worth following because He has the power to heal.

Jesus is worth following because He gives us the words we need when we need them.

Jesus is worth following because He died to save us.

Even if Jesus had never done anything for us, He is still worth following because of who He is. A relationship with Him is a treasure greater than any silver or gold. Even when He doesn't seem

to act, we can rest safely in that relationship like David did, knowing the truth of His character means that we can know that He is always working to make all things new.

"But I have trusted in your faithful love; my heart will rejoice in your deliverance. I will sing to the Lord because He has treated me generously." Psalm 13:5-6

Reflect

- How has Jesus proven Himself worthy through His work in your life?
- Do you have any questions about tough situations in your life you've been avoiding asking Jesus? Make a list and take some time to walk through those with Jesus.
- Spend some time thanking Jesus for who He is and for the relationship you have with Him.

Gameplay Instructions

- 1) Be in place in your home room each morning by 8:30. If there is an emergency and you will not be able to make it text or call **Jennifer Previtera at 804-896-6801** or **Dede Feister at 804-314-9932**
- 2) Classroom Leaders make sure your attendance sheet is filled out and left in your class to be collected.
- 3) Accompany children from rotation to rotation and assist the Rotation Leaders as needed.
- 4) Please refrain from using phones around the students. We want to give our students our undivided attention during the week. If there is an emergency you need to attend to please step out of the room and you can make your way to the snack area and rejoin your group when you are done.
- 5) We will have a snack area set up in the back of the Worship Center. Please try not to take breaks during Crafts or the Lesson rotations and only one at time please!
- 6) Classroom Leaders will take their group back to their home room class after the last rotation to take charge of dismissal. **You will have a list of persons approved for pick up for each student and the person picking up will need to show their ID the first time they pick up. If the same person is coming each day you do not need to check their ID again.**
- 7) Adult helpers and teen helpers will assist at dismissal by helping students remain seated, listen for their names to be called and helping make sure they leave with any take home items.
- 8) If you have children left in your care at **12:15** please bring them to room 104 to meet Jennifer and Dede and they will watch them until their parent arrives.
- 9) Mission project - TBD
- 10) If any parent or other VBS leader approaches you about switching a child to a different class **DO NOT** do it. They need to go through Jennifer and Dede. Please refer them to Jennifer or Dede.

Discipline

We want all the children in our ministry to feel welcomed and loved!

We have to maintain order though for learning to occur and to provide a safe environment.

Physical or abusive punishments (spanking, grabbing, slapping, hitting, yelling) is NEVER allowed. Try to redirect the child, place them in a safe spot till they calm down or ask for assistance from Jennifer or Dede. If you have a child who is being disruptive in class on a regular basis or who intentionally harms another child, contact Jennifer or Dede.

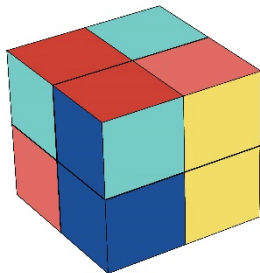

Security

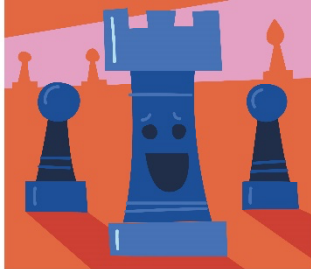

2 Person Rule – A child should **never** be alone with an adult. There must be 2 adults in a room, or anywhere, with a child at all times. Teen helpers cannot count as one of the two adults!

Bathroom - Never go into a bathroom alone with a child. If you must check on a child, prop the door open and stay where a second adult can still see you. Adults should use the bathroom at the foot of the stairs on the 1st level of the building.

Pick Up – Classroom Teachers will be given a roll that lists each student and the person(s) approved for pick-up which is designated on their registration form. When a person comes to pick up they will need to show you their ID and you will confirm they are a person approved for pick up. Normally this will be the same person every day so after the first day the pick-up process should go quicker. If someone other than an authorized person comes to pick up you will need to let Jennifer or Dede know. If any parent tells you special pick up instructions for the day when they drop off be sure and make note on your roll!

Leaving the Classroom –Other than when moving from one rotation to another as a class, children should not leave the classroom unless they are being picked up by an authorized person or there is a discipline issue Jennifer or Dede needs to be involved in.

Emergency Evacuation – In the event there is an emergency direct the children to the nearest exit. If you are in the Worship Center you should use either the door off the Music Suite hall or the main doors out to the front parking lot. If you are on the Pre-School Hall you should use the main doors of the main lobby area. Direct the children to the grassy area across the driveway and keep your group together. Do a count and check attendance to know right away whether you have everyone or not. Rotation

Leaders will be responsible for making sure their rooms are clear before they leave. Jennifer and Dede will be responsible for checking bathrooms and other common areas.

Allergies – You will have a list with your attendance sheet of any children assigned to you who have allergies and what arrangements have been made for their snack.

Gospel Conversations

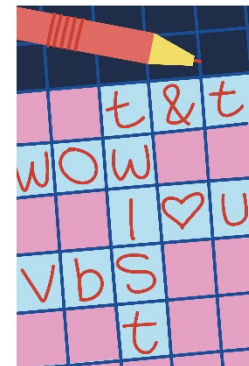

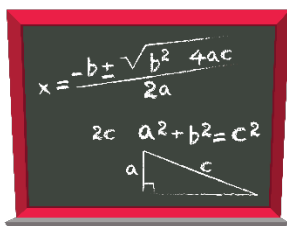

Our curriculum uses a specific 5 step presentation of the Gospel. It is included here with a copy of the decision card we will use. On Thursday during the Missions Rotation a specific gospel

presentation will be made with the opportunity for a response by students.

If you have the opportunity during the days before that to have a gospel conversation please do so though! The Lead Teacher will

have a copy of this plan and decision cards with her all week. When taking a

child aside to have these conversations please just move to a hall where there are others around so you still will be in adherence to our two person rule!

THE GOSPEL

GOD'S PLAN for US

The gospel is the good news, the message about Christ, the kingdom of God, and salvation. Use these prompts to share the gospel with your kids.

GOD RULES.

Ask: "Who is in charge at home?" Explain that because God created everything, He is in charge of everything.

Read Revelation 4:11.

WE SINNED.

Ask: "Have you ever done something wrong?" Tell kids that everyone sins, or disobeys God. Our sin separates us from God. Read

Romans 3:23.

GOD PROVIDED.

Explain that God is holy and must punish sin. God sent His Son, Jesus, to take the punishment we deserve.

Read John 3:16.

JESUS GIVES.

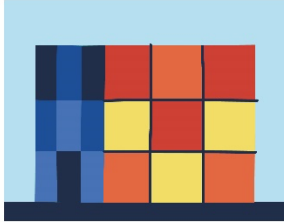

Ask: "What is the best gift you've ever received?" Say that Jesus took our punishment for sin by giving His life, and He gives us His righteousness. God sees us as if we lived the perfect life Jesus lived. This is the best gift ever! Read 2 Corinthians 5:21.

WE RESPOND.

Explain that everyone has a choice to make. Ask: "Will you trust Jesus as your Savior and Lord? You can turn from self and sin and turn to Jesus." Read Romans 10:9-10.

YOUTH VOLUNTEER TIPS

Here is how you can make a difference in VBS:

Report to your Lead Guide/Teacher at 8:30 each morning!

And then do whatever they ask of you!

Help with security - Leaders are never alone with a child. Help adults follow the 2 person rule! Youth do not count as one of the 2 adults required. But youth should never be left alone with students either! Help make sure no one wanders off from your group during transitions.

Follow the schedule

Everyone needs to stick to the schedule and be in their assigned location at the right time.

Bathroom/changing diapers

Teen helpers should not help in the bathroom or with changing diapers.

Emergencies/Evacuation

Help the Lead Guide/Teacher get everyone out safely to the designated area and then help them to make sure everyone is accounted for.

No horseplay or carrying/Set Boundaries

No horseplay, no piggyback rides, no carrying younger children. If children become physically aggressive – climbing on teen helpers, for example – give the child clear instructions to stop or get an adult to help redirect.

Give positive directions

Directions to children should be given in the affirmative, not the negative. “Keep your feet on the sidewalk” is better than “Don’t go in the street.” In other words, helpers must make it clear what they want the child to do.

Use the phrase "I need you to..."

If a child needs to be told to stop doing something or to modify their behavior, “I need you to...” is a good way to give the direction.

How to call a child

To effectively communicate with a child, the helper needs to go to the child rather than yell from a distance.

Allergy issues

Your Lead Guide will make you aware of any allergy issues in your assigned group.

Respect the space, and clean up

Everyone is expected to show respect for each other and for the materials – i.e., to clean up after themselves at snack, to assist in organizing craft materials, etc. Help direct children to pick up after themselves.

Serve *all* the children

You are to serve all children equally in a way that is inclusive, inviting, and welcoming to all of the children. Move from child to child and engage them in conversation! Make positive and encouraging comments as they work on activities....help them complete tasks as needed! Have GOSPEL conversations!

Role models = Rock Stars

You are role models, better yet, ROCK STARS in the eyes of younger kids. As such, you are expected to be intentional in how you interact with children. Sarcasm, teasing and certain kinds of language are not to be used.

Focus on the students, not your friends

If you are working with other teens remember your focus needs to be on the campers rather than interacting with one another

Put cell phones away

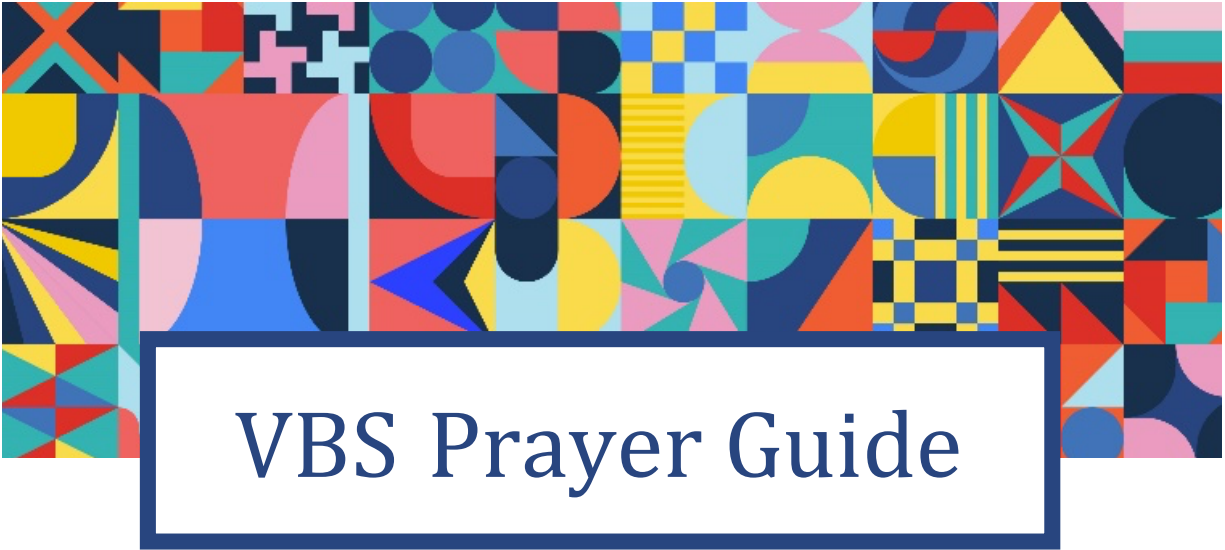

Helpers need to keep their cell phones out of sight.

No drinks or snacks in front of campers

Enjoy snacks in the designated area

Rules for posting pictures

Helpers do not have permission to post images of campers on personal social media.

Continue to grant good health and perseverance!

Thursday June 22nd

Lord, we pray for the presentation of the Gospel today. We pray that it will be clear and that children will have the courage to step forward and follow You as their Lord.

We pray for the follow up that we will have with children who have made important spiritual decisions and/or have questions about their faith.

Friday June 23rd

Lord, thank you for a great week of VBS! We pray for the children that we were privileged to work with this week as well as their families. We pray that the Holy Spirit will continue to “grow” the seeds that were planted this week. Thank you for allowing us to be a part of the “planting”.

Lord, we pray for visiting families that will attend our 5th Day on Sunday. May they feel welcome in our church and have a desire to return

Thank you for the many workers and volunteers that made this week work! Give them much needed rest after a busy few days!
